

Children and Teachers enjoying our furry friends.

Newborns

2 weeks old

3 weeks old and their first time eating a carrot.

I want to see the new babies too.

No one is looking the cover is open.

Getting closer!

I am almost there.

We have company coming!

I got caught. I will have to look from the side.

Or I can watch from the front.

First time out of the hutch.

Mommy (Anakin)

Thumber
