

Malone Central School District

Internet Parent Acknowledgement Form

Many subjects incorporate Internet-based resources as part of the instruction process in the Malone Central School District. For that reason, your student will be accessing the internet as part of the curricula. In compliance with federal law, the District would like to assure you that your student's personal information will be protected.

Detailed information concerning the District's Acceptable Use Policy for its computer resources may be accessed at www.malonecsd.org

As the parent or legal guardian of (student's printed name) _____,
I understand that access to the Internet from within the Malone Central School District is required as part of the curricula in many courses. By signing this, both parties have read and agree to abide by the policies of the Malone Central School District.
